Dazzle with this custom, hand-crocheted, sky-blue sun dress. You'll thank the high heavens for being a woman, just so you can wear it. Sexy and searing, the unique design flatters your shape with curve-hugging appeal, while offering an attitude of decorousness with the addition of white lacey trim, and a ruffle at the hip and calves. Please your true love with this look – but mostly, just please yourself.

Available in Sky Blue.

Fly high and stay loose in this custom-made, wearable art by New Hampshire-based designer, Amity Joy. In fresh blue sassafras, with a print reminiscent of an Andy Warhol design, you'll feel light and airy in this totally modern sun dress. Cool as a summer's breeze. Hot as the blazing sun. Get your groove on while you contemplate the poetry of Emily Dickinson. Or better yet, bask in the shade of an oak, while sipping some iced green tea. Decadent? Maybe. Fashionable? But, of course.

Available in Blue Sassafras.
